

Sanjeev Kumar *Software Engineer*

bhardwajsanjeev98055@gmail.com • 9805507027 • Shimla, India • LinkedIn • GitHub • LeetCode

PROFILE

Aspiring software engineer and pursuing B.Tech in computer science engineering with experience in building and optimizing high-performance web applications. Proficient in translating designs into functional user interfaces and in writing optimized code to enhance performance and efficiency. Having a strong foundation in data structures, algorithms, and modern frontend technologies.

SKILLS

Programming Languages: C++ | Java | JavaScript

Frontend Development: React.js | HTML5 | CSS3 | Tailwind CSS | Bootstrap | RESTful APIs

Technical Skills: OOPs | Data Structures and Algorithms

State Management: Redux | Redux-Toolkit

Tools: GitHub | Postman

PROFESSIONAL EXPERIENCE

Frontend Developer Intern, Salesqueen Software Solutions

07/2024 - 10/2024

- Internship of three months in frontend development.
- Enhanced skills in React.js and its core principles.
- Acquired knowledge of Bootstrap.

Web Development Intern, Code Clause

02/2024 - 03/2024

- Internship of one month in web development.
- During this tenure learned deeply about the javascript and its core principles.

PROJECTS

Blog Management App 

Developed a web app that provides users the ability to create, edit, and delete blog posts. Implemented features like authentication, user authorization, and post visibility according to the status of the blog post.

Technologies Used : React.js, Tailwind CSS, Redux-Toolkit, React-Router

Dynamic Dashboard 

A dashboard where users can manage widgets within categories. Users can easily add new widgets and remove existing ones. Built using a JSON configuration, making it flexible and easy to update.

Technologies Used: React.js, CSS3, Redux-Toolkit

Guess The Number 

A number-guessing game with 10 attempts to guess a number between 1-100. Users see their guesses, remaining attempts, and feedback on their guesses.

Technologies Used: Vanilla JavaScript, CSS3, HTML5

Recipe Book 

A web application that allows users to add, edit, and view recipes along with their images and ingredients.

Technologies Used: Vanilla JavaScript, CSS3, HTML5, Local Storage

EDUCATION

Bachelor of Technology - Computer Science Engineering

2021 - present

University Institute of Technology, Shimla, HPU

(8.57 CGPA)

Post Matriculation

2018 - 2020

Government Senior Secondary School, Bhoranj

ACHIEVEMENTS

- Solved 100+ coding problems on LeetCode
- Solved 70+ coding problems on GeeksforGeeks
